

Intro:

This week we start discussion of electric potential and electrostatics before moving on to study currents and magnetostatics.

Reading:

- Friday: HRW 22
- For Monday: HRW 24.1 - 3, 6
- Wednesday: HRW 24.4, 22.3
HRW 26.1 - 2, 28.1 - 2, 29.

Physics Topics:

- Electric Potential
- Moving charges - current
- Magnetic field

Math Topics:

- Integrating up an electric field from a charge distribution

Lab:

No lab! Wellness day on Tuesday
